From: Commander, Naval Personnel Command

Subj: MORALE, WELFARE, AND RECREATION (MWR) POLICY FOR NAVY
FLYING CLUBS (NFC) TO CONTRACT WITH MILITARY AND CIVILIAN
GOVERNMENT EMPLOYEES

Ref: (a) BUPERSINST 7043.1B, Nonappropriated Fund (NAF)
Procurement Policy, of 23 Aug 00

1. The purpose of this letter is to promulgate Navy policy authorizing MWR to contract with military and civilian government employees to perform as flight instructors or aircraft mechanics for Navy Flying Clubs (NFC).
2. Several NFCs have demonstrated through advertising and competitive price bidding that it is more cost effective and in the best interest of the government to contract with military and civilian government employees versus commercial flight instructors and aircraft mechanics. For these reasons, local MWR departments are authorized to contract with military and government employees to perform as NFC flight instructors or aircraft mechanics without seeking approval from Navy Personnel Command (NPC) (PERS-65). However, per reference (a), paragraph 203 and 212, a determination must first be made through advertising and competitive price bidding, that the most cost-effective proposal has been accepted.
3. Consistent with the direction above, the contracting officer shall continue to follow the procedures in reference (a) when using a service contract. Upon execution, a copy of the service contract and price bid proposals shall be forwarded to NPC (PERS-658F).
4. This change will be reflected in the next revision to reference (a). NPC point of contact is Mr. John Shaw, Navy Flying Club Program Manager at (C) 901-874-6627/(DSN) 882-6627.
